MEMORANDUM FOR: The Director

*Conf*

Some time ago you asked that you be furnished a copy of any audit report which reflected a particularly poor condition of records and practices of an Agency activity. I feel that the deficiencies in Project [REDACTED] as reflected in the attached audit report, and the disinterest displayed by responsible Project officials in correcting the deficiencies pointed out in previous audit reports represent the type of case which you had in mind.

A copy of this report has been sent to the DD/P for his personal review.
